

# WELCOME TO JEW CREW

## JEWISH ASSOCIATION OF STUDENTS

This club invites Jewish teens to explore their religious heritage and encourage each other to practice and to provide a safe place to discuss issues and topics of specific relevance to the Jewish faith. This club is also a resource to educate non-Jews about Judaism, with the goal of reducing Antisemitism.

# WOW!

This club meets several times a month for discussions and creative activities. Jew Crew is sponsored by Dr. Ann Zavell and facilitated by Rabbi Yochanan Posner of Cteen. For more information contact Dr. Zavell x2358
